## HAPPY Easter

Hopefully you will get this newsletter for Easter but even if you don't you can be assured that you were prayed for – for safety on the roads and a blessed and happy time wherever you are/were! And if you stayed in Gladstone we hope you enjoyed the special Easter programming. Blessings

From the Management Committee: A radio station will normally have a target audience. This is to make sure programming and music etc fit (otherwise you could have all sorts of stuff at all sorts of times!) The station's target audience at the moment is age 25 to 40 with a focus on young families. The committee is looking at this and would love to hear what you think the average listener is for Gladstone. They're also reviewing all policies and filling any holes they find. Please pray for the committee as they seek to set the future direction of the station.

## Mayoral Prayer Breakfast

Friday May 19<sup>th</sup>. Put it in your diary now so you don't miss it. It will be the best one yet because our speaker, Hugh Evans, 22, is an inspiration! At the age of 12, he organised the World Vision 40-Hour Famine at high school which later became the highest fundraising school in Australia. At age 14, a World Vision sponsored trip to the

Philippines saw him sleeping in a slum, watching children scavenging and dying around him. He carried the Torches for the Sydney and Athens Olympics. Hugh was inaugural World Vision Youth Ambassador and has been involved in community development

and education projects in India, the Philippines and South Africa. In 2001, Hugh put forward a resolution to the United Nations in The Hague in the Netherlands for the abolition of child labour which was passed and ultimately was forwarded to President Kofi Annan. In 2004, He was awarded Young Australian of the Year and one of ten Outstanding Young People of the World by Junior Chambers International in Japan.

"...my faith has been fundamental. We're trying things that push us to our absolute limits... you can't help but pray and say to God 'I just don't know how I'm going to do this... so I pray constantly. I also think that helps shape my world view.'" - Sight Magazine.

He is the Founder and Director of The Oaktree Foundation - a movement of young Australian's responding to issues of global poverty - and author of Stone of the Mountain published in 2004 and is currently working on his second book, Just Stand, inspiring and motivating young people to make a difference in our world. Hugh currently lives in Melbourne studying law/science at Monash University and hopes to eventually work in Australian politics or for the United Nations.

"Hugh's sincerity, humility and genuineness are what have inspired so many people, young and old, to work towards helping those less fortunate." (australianoftheyear.gov.au)

STATEMENT OF FAITH

1. That the Holy Scriptures, as given by God, are Divinely inspired, infallible (entirely trustworthy), and the supreme authority in all matters of faith and practice.
2. In one God, eternally existent in three persons, Father, Son and Holy Spirit.
3. In our Lord Jesus Christ, God manifest in the flesh, His virgin birth, His sinless life, His miracles and atoning death.
4. In the bodily resurrection of Jesus Christ from the dead, in His personal return and the judgment of the world by Him.
5. That all have sinned and are justly exposed to the wrath of God.
6. That redemption from the guilt, penalty and power of sin is possible only through the death and shed blood and resurrection of Jesus Christ.
7. In the necessity of the work of the Holy Spirit to make the death of Jesus Christ effective to the individual sinner, granting him repentance towards God and faith in our Lord Jesus Christ, enabling the believer to live a holy life and to witness and work for Him.
8. In the resurrection of the body, the eternal blessedness of the righteous and the eternal punishment of the wicked.
9. That every believer is baptized into the body of Christ by the Holy Spirit and thus being members of one another, are responsible for keeping the unity of the Spirit in the bond of peace, loving one another with a pure heart fervently.

You don't need foul language or suggestive banter to make a great radio station! Make sure you're listening to the right stuff!
