

Rhema FM Frequency

What a few weeks we have had here at the station!

After two years of hardship, our finances have been going backwards. This is a culmination of several things. We had to turn our signal down and therefore lost listeners; I was off for months; the loss of our sponsorship sales person has been felt keenly, and maybe, just maybe, one other thing and that is that we haven't asked God's people to support us enough.

Anyway, last week we thought it only fair to let our members know of our drastic plight. So a letter telling them that we would have to cease broadcasting in a week or so, went out, and a few members took it to their church as well. We had a great response and to date, we are 'half way of the woods'.

A sincere Thank you to every one of you who has already sent in your donation. *It has been very encouraging to be able to pay some of the bills that are owing.*

Every now and then we get a song which reflects what the people in the street are thinking:

*"And I wished for guidance, and I wished for peace
I could see the lightning; somewhere in the east
And I wished for affection, and I wished for calm..." Leigh Nash from
Nervous in the Light of Dawn.*

When I listen to this song... I can only think of all the people in the Gladstone district who have the same heart cry.

D'you know you don't have to listen to Rhema, you don't even have to like it... but I'm asking you to believe in it as a tool that you can use to reach the unreachable, and touch those who are not being touched by any Christians. *I hope that like me you have a passion to reach the lost of this city and believe me we see them everywhere.. some of the even contact Rhema and say that without the station they wouldn't know what to do.*

The bottom line is that we need your support ... If you haven't already, would you be able to give what you can?

The best way is to contact the station and ask for a Regular payment form... you fill in your credit card details and the amount you would be able to give every month and we do the rest. Some people have given \$20 a month for years... this is the best form of donation as we know when we can expect the money to come in.

Anyway, the best news for last... we're not turning off the radio station! Thankfully! **I don't know what I'd do without it!**

Blessings.... Vicki

Need a smile? "I recently attended a small business marketing seminar at which the speaker used actual examples to reinforce her teaching points. She told a delightful story about a coffee shop that distinguished itself from the competition by prominently displaying a warning sign that read: "Unattended children will be given a double espresso and a free puppy!"

Never undertake anything for which you would not have the courage to ask the blessings of Heaven.

What do people think of Rhema FM 91.9?

With donations... "God bless" (Anon) & "You guys do a great job" (Pete) & from a first time listener "I finally heard you on the radio. I was in the car so I listened specially and was very pleasantly surprised. Now I know what J means by 'Bruce Music! I'll listen now Friday nights now!" (Debbie)

We would love to hear what you think!
